

Tha Native® PRESS QUOTES

From the hills of San Manuel to Anaheim, their journey is of true spirit. Sharing their heritage and history of their land and music created from their souls. Listen in and understand the cultural background of The Serrano Indians and their reservation that still stands strong today. We welcome Tha Native an R & B, Hip Hop Artist who is creative in his songs and story telling. Tha Native also speaks in his native tongue to youth groups teaching the culture and history about his ancestors.

Accompanied in the show by the beautiful Jessa Calderon who will also wear her Traditional Native American Clothing both will share their music along with friends who will bring instruments from the reservation to accompany them.
